

## Caravell Product Line for Ice-cream and Frozen Products

When you talk about Caravell, you are talking about one of the most traditional brands in the commercial refrigeration market Worldwide.

This line is composed by Upright, Horizontal and Impulse models with a freezer capacity between -9°C and -23°C, ideal for storage of ice-cream, sorbet and frozen products in general.

Find out about Caravell's design and technology and ensure your products always enjoy the perfect exposure at the point of sale.

Caravell: tradition of innovation, always offering the best design in quality and performance.

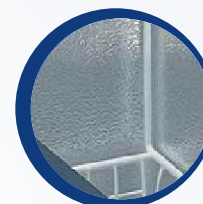

- **Foamed solid sliding lids**
- **Built-in handles**  
Handles are screwed directly into the lids.
- **Aluminium inner liner**
- **Double castors**  
Produce smooth and more controllable movement.
- **Wide assortment of baskets\***  
Baskets with dividers allow good arrangement of the products.
- **Adjustable thermostat**
- **Branding\***  
Custom graphics can also be added. The box frame as well as the frames of the lids are available in different colours.
- **Light canopy\***  
Helps spotlight your brand and adds attention at the point of sale.
- **Lid lock\***  
Avoids undesirable openings and secures the products inside.
- **Internal light\***  
Allowing good product visibility.
- **Thermometer\***  
Informs you about internal temperature.
